

The 2016 Drigg & Carleton Fireworks

The Drigg & Carleton Firework Display was held this year on Saturday 5th November, big, big thanks to all those who supported and attended this years event, it is a chance for all ages to come and enjoy the firework display and socialise, there was again a great turnout and fun was had by all.

Special thanks go to Gordon and Belinda of the Victoria Hotel for the use of their field/car park to hold the event. Thanks also to the Digg & Carleton Community Fund for their support, to all those who donated their time to make the yummy food on offer and to the ladies who set up and served it, and to everyone who supported the fund raising events throughout the year.

All the donations collected on the night will go towards making next years event as enjoyable, we hope to see you there again.

Again thank you to all those who helped to make the event the success it was.

Drigg & Carleton Firework Committee
