

## The 2021 Drigg & Carleton Fireworks

The 2021 Fireworks were held on Friday 5th November, the weather was mostly kind and there was a fantastic turnout. We would like to thank all who attended, we hope you all had lots of fun and enjoyed the great firework display.

Special thanks to Gordon and Belinda of the Victoria Hotel for the use of their field/car park to hold the event and for the bonfire. Also thanks to the Drigg & Carleton Community Fund for their continued support, to Martin, Jane, Jimmy and John for the Firework show, to those who donated food, cakes, sweets and toffee apples and to all those who gave their time to prepare the food on offer and to the ladies for setting up and serving it. The gazebo which was donated to us from LLWR in 2018 was used again to serve the food from.

Thank you all for being so generous, the 'Penny for the Guy' and 'Donations Bucket' collections will go towards making next years event as enjoyable, we hope to see you there again. Thank you again to all who helped to make the event the success it was.
