

Drigg & Carleton Fireworks Display 2022

The 2022 Fireworks were held on Saturday 5th November, the weather was kind with a break in the rain to give a clear night with little wind. We had a fabulous turnout, and we would like to thank all who attended, we hope you all had lots of fun and enjoyed the fantastic firework display.

As always, special thanks to Gordon and Belinda of the Victoria Hotel for the use of their field/car park to hold the event and for the bonfire. Thanks to the Drigg & Carleton Community Fund for their continued support, to Martin, Jane, Jimmy and John for

the Firework show, to those who donated food, cakes, sweets and toffee apples and to all those who gave their time to prepare the food on offer and to the ladies for setting up and serving it.

Thank you all for being so generous, our 'Donations Bucket' raised a fantastic amount, and this will go towards making next years event as great, we hope to see you all again. Thank you again to all who helped to make the event the success it was.
